This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of City Limo, LLC (f/k/a Pavel Laurentiu Corpodean d/b/a City Taxi) (the Applicant) filed March 31, 2010, whereby the Applicant seeks approval of an amendment to Class C Certificate of Public Convenience and Necessity No. 8113-A and to Class C Charter Certificate of Public Convenience and Necessity No. 8112-A. The Applicant requests approval of a change in the passenger restriction appearing on such Certificates.

A review of the docket file reveals that the Applicant was granted authority to render motor passenger service under Class C Certificate No. 8113-A pursuant to Commission Order Nos. 2009-224 and 2009-483 and under Class C Charter Certificate No. 8112-A pursuant to Commission Order Nos. 2009-225 and 2009-483.

The Applicant now seeks to amend Certificate No. 8113-A and Certificate No. 8112-A by a change in the passenger restriction appearing on such Certificates.

Currently, the Applicant's authority under Class C Certificate No. 8113-A and Class C Charter Certificate No. 8112-A reads as:

...to furnish passenger service...as follows:

Between Point and Places in South Carolina,  
Restricted To: Seven (7) Passengers.

The Applicant requests to increase the passenger restriction from seven (7) to fifteen (15) passengers.

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Class C Certificate of Public Convenience and Necessity No. 8113-A and Class C Charter Certificate of Public Convenience and Necessity No. 8112-A of City Limo, LLC by changing the passenger restriction thereon from seven (7) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by such Certificates but does not otherwise authorize any change in the operation of the regulated services.

3. Amended Certificates shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificates, the modified motor carrier services authorized by such Certificates may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further Order of the Commission.
